If your Medicaid coverage ended with your pregnancy, Medicaid may pay for Family Planning Services.

Medicaid Family Planning Program

A Program of the Commonwealth of Virginia

Family Planning Program

*A two year wait
between
pregnancies is
healthier for
mother and
child.*

**Family
Planning**
*will help you
plan and space
your family.*

You can receive Family Planning Services at your OBGYNs office, Local Health Departments, Community Health Centers, and other local health clinics.

If you have a medical need other than the services listed, please contact your primary care provider. If you do not have a primary care provider, contact your local community health clinic.

Services not covered by the Family Planning Program may have a fee.

DIAL

2-1-1

*The United Way
Information and Referral Service
can help you locate
your local DSS or Health Clinic*

Contact your Local Department of Social Services (DSS) to confirm your enrollment.

If you have received a *tubal ligation* (tubes tied) or *hysterectomy* (uterus removed) you are not eligible to enroll in the Family Planning Program.
